Dear Parents / Guardians

Results of the GCE N(A) and N(T) Level Examinations 2010

Following the release of the 2010 GCE N-Level Examination results on 17 Dec 2010, our school had achieved commendable results. The school has a total of 76 Sec 4 N(A) students who sat for the GCE N(A) Level Examination 2010 and 94.7% of them are eligible for the Sec 5*, which is much higher than the national average of 70.9%. A summary of the results is attached (Annex).

We are pleased to share with you that three of our top N(T) students, Chin Siew Han, Ng Shi Jian and Benjamin Low Wei Fu, obtains 5 As and are highlighted in the MOE Press Release (<http://www.moe.gov.sg/media/press/2010/12/results-of-the-2010-singapore-.php>) for their outstanding performance. GESS tops the list of NT students in Singapore with the highest number of students highlighted in the MOE press release.

We would like to thank you for your strong support in our journey towards academic excellence and holistic education. We seek to continue to work closely with you in nurturing Gessians to their fullest potential.

Best Wishes

* To be eligible for Sec 5, students in the Normal (Academic) course must obtain a Grade 5 or better in 5 subjects including English Language (EL), Mathematics (MA) and best three subjects (*ELMAB3*) and an aggregate not exceeding 19 points for *ELMAB3*. The MOE revised promotion criteria are aligned more closely with the admission requirements to the polytechnics, and will encourage Normal (Academic) students to work towards doing well in a range of subjects that will stand them in good stead for their post-secondary education.
