

# life that Loves to happen at work

by Mike Cope and Landon Saunders

**The Life That Loves to Happen Seminar** is an upbeat, thought-provoking event that blends humour and delightful stories with common sense wisdom and deep insights for living. By blending timeless wisdom with cutting-edge success principles, the seminar will teach you how to live with greater courage, harmony and joy. You will understand what really matters and re-discover the life that you have always wanted. You are here to have a life that loves to happen!"

- Sharpen your focus to reach your life goals
- Effectively manage priorities, to achieve success in all areas of life
- Fulfill your dreams and unleash your potential
- Live with greater passion, purpose and peace

## Speaker's Profile

**Landon Saunders** is the President of Heartbeat, a non-profit educational organisation in the United States. He has lectured extensively across the United States and throughout the world to hundreds of thousands of people, covering a variety of subjects relevant to personal development, personal effectiveness and happiness. He is the author of book on work-life entitled "Life That Loves to Happen...No Matter What Happens". Landon has also created the Heartbeat Radio Program, aired by CBS, NBC, ABC, Mutual, and Armed Forces Networks.

Thursday, 12 August 2010  
2.30pm to 5pm  
HDB Auditorium
