Dear Parent/Guardian,

Sexuality Education Programme 2009 for Secondary 1 and 2

The Sexuality Education Programme was designed to provide accurate and adequate knowledge about human sexuality and the consequences of sexual activity to enable students to make informed decisions. This in turn will enable students to develop healthy attitudes towards sexuality and build responsible and rewarding relationships so that they develop respect for themselves and others as sexual beings, in line with the national value of the family as the basic unit of society.

This year, GESS Sexuality Education Programme will be conducting the following topics for lower secondary:

Target Levels	Topics/Lessons	What pupils will learn:
Secondary 1	Public Display of Affection	Understand that certain public display of affection is not considered proper behaviour in our society
Secondary 2	SexEd Show Birds and Bees, Flowers and Trees	Understand and learn about STI/AIDS in a fun and entertaining new skit

Kindly complete the reply slip to indicate whether you would like your child/ward to opt in or out of this programme and submit it to your child's/ward's Form Coach by Monday, 3rd August 2009.

Your support and cooperation are greatly appreciated. Thank you.

Yours truly,

Mdm Siti Zuraidah
Sexuality Education Coordinator
